

## Description

The Header Breakout board is designed to assist developers with their prototypes by exposing the high-density connectors/pins of 1.27mm pitch with 2.00 mm and 2.54 mm pitch connectors/pins vice versa.

## Features

- 20 Pin 1 Row pads exposed in three different pitch lengths.
- Breakout pads with pitch
  - 1.27 mm pitch(1 number)
  - 2.00 mm pitch(1 number)
  - 2.54 mm pitch(3 number)

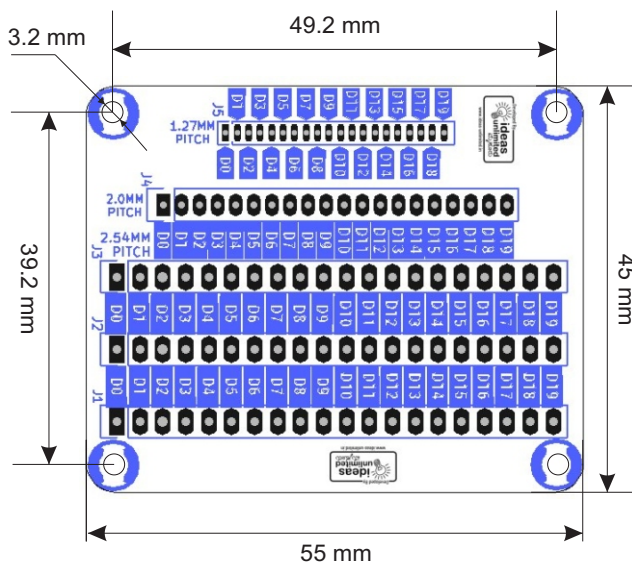

Header Breakout Board

## Target Area

- Prototyping & testing

## Mechanical Information

## Usage Example
